

Project Work

The UK training side of **Wilderness Expertise** is a **non-profit making** organisation dedicated to the personal development of young people. We have purposely remained specialised as a company so that we can guarantee high quality programmes and maintain strong relationships with our clients.

Aim:	<p>Our aim is to provide and facilitate sustainable and mutually beneficial community and environmental projects of real value to both the young people and their local environment. Projects provide an excellent platform for personal development and can promote team working, problem solving, self esteem, confidence, respect for themselves and the environment as well as huge sense of achievement. For many of the long term projects, your young people will have involvement in the initial planning, fund raising, sourcing of tools, and then the actual completion of the project.</p> <p>The project can also be used towards the ASDAN Key Skills awards (Wilderness Expertise is an ASDAN centre).</p>
Activity Description:	<p>Projects can be set up in conjunction with the local council, countryside services, local police and homes for the elderly. Sample projects include:</p> <ul style="list-style-type: none"> ➤ Making bird boxes. ➤ How to use willow to repair river banks. ➤ Creating a vegetable garden. ➤ Replacing old fencing with new. ➤ Cleaning the environment. ➤ Working with care homes for the elderly.
Number of days:	Weekly sessions dependant on the project sourced.
Venue:	Usually at the local project site. These will be visited before the project starts and all risk assessments of activities and venue will be completed.
Role of Liaison adult supervisor:	Pastoral care of the young people during the programme and providing transport for the students if required.
What does Wilderness Expertise provide?	<ul style="list-style-type: none"> ➤ Fully qualified and experienced trainers ➤ All specialist equipment ➤ Pre-course information and all risk assessments for activities and venues ➤ 24hr back up support ➤ Liability insurance ➤ AALA license
Sample cost:	£225 to £275 per instructor group per session (for a detailed quote please just call us).

**Wilderness Expertise believes in developing the potential of young people.
We look forward to working with you in the future...**
